September 13, 2007

**Glass and Architectural Metals Association
September General Meeting**

Safety Chairman Report

The Alberta Health & Safety Conference and Trade fair will be held at the Telus Convention Centre November 5,6 &7. The trade is a forum where over 110 manufactures of safety, health and environmental professionals will demonstrate and showcase the safety industry. The education seminars will include 30 class sessions .These session range from broad based to industry –specific topics. The highlight sessions of this year program will feature an in-dept fall protection program, dealing with case studies of unusual fall protection situations and the new industrial rope access that is new to the Alberta OHS code.

For more information Visit the their web site at www.hscconference.com

The new Occupational Health and Safety regulations are now in effect and have their provincial investigation teams conducting site investigations in the Calgary area projects Handing out fines to contractors and their employees for various safety infractions. For further information, visit: www.worksafely.org

St. John Ambulance has provided GAMA with First Aid training & Whmis training for a reduced rate of \$90.00 for first aid standard level A and \$54.00 for Whmis training. They will also offer a discount 25% for work place and personal First Aid Kits
Contact St.John Ambulance @ (403)250-2922

Respectively yours,

Ray Greenland
2007 GAMA Safety Chairman

Newsletter Report

September 13, 2007

This year, to avoid the mad rush trying to meet the deadline for the newsletter, I will be sending out an email asking for pictures early. This will allow the members to get pictures of their projects while the weather is relatively nice.

Hopefully the response will be good and we will have a variety of pictures to choose from.

In regards to a calendar, I have not had time to look into it, but any members wanting to participate should let me know and a design could be developed.

Regards,

Dan Taylor

September 13, 2007

The Recognition Committee (formerly the Certificate of Leadership Committee) will be handing out the Certificates of Leadership at our November meeting. This is the meeting we also hand out the apprenticeship awards.

I have emailed all our members the certificate of leadership questionnaire today. Please complete the attached form on the email and fax or email to me at Alberta Glass. Fax 219 7451 Email george.k@albertaglass.com

I have received some responds already, and if you have not received the email please call me at 219 7474. Please respond before September 28 2007.

At the end of June, we had a meeting and decided to make a few changes to the questionnaire. This year your certificate will be framed when you received them at our November meeting. And we would like all our member companies to be present at our November general meeting to receive their certificate.

I have 10 copies of the questionnaire here if anyone would like one.

Thanks

George Kennedy /Second Vice / Committee Chairperson
